LETTER FROM THE OFFICERS

At the Kroc Center we offer many opportunities for members and guests to be part of our church programs and activities, learn and develop a new skill and to try something new. We offer workout programs to stay fit, enjoy aquatics activities, take advantage of music lessons, and so much more as we try to impact individual lives and the community around us.

One of the great things I love about the Kroc Center is that it is more than the things mentioned above. The Kroc Center has become for many, and what we hope it to be for everyone, is a place of community where our guests, members and our Kroc team walk this journey of life together.

If we are all honest, whether it is working out, being part of programs, developing gifts and skills, it is always better if we have someone to walk alongside us to encourage us, support us and push us to keep on going to give our best.

One of the great promises we have in the Bible from God is that, “He will never leave us or forsake us” (Joshua 1:5). No matter where we go or what we do, God as promised that He will always be with us in any situation to encourage us, strengthen us, support us protect us, guide us and provide for us. Although it is great to have the support around us in this world, it is even better to know that God has promised His presence will always be with us. No matter what takes place, we will always have a constant companion by our side.

If you would like to know more about God and His love for us and His promises to us, we would love to have you join us for Sunday Community Worship at 11:00 a.m. and Wednesday Bible Study at 6:00 p.m.

Blessings,

Major John Pook
